Our Company

In a world becoming more conscious of the environmental impact of industrial and household activities, Cosi has established itself as a transformative leader in plastic recycling. Over the past three years, the company has strategically positioned itself at the forefront of the Indonesian market. **Cosi is not just a upcycling business; it is an innovation-driven company committed creating upcycled plastic products that are accessible to everyone, making sustainability a shared experience for all.**

Innovate, Create, Sustain

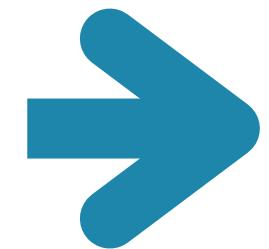

FAM Power Group

Founded in 2021 in Solo, Indonesia, Fam Power began its journey with a mission to **recycle plastic waste** into valuable resources, actively contributing **to the circular economy and empowering community in the region.**

Recognizing the need for **inclusivity, in 2024**, we launched Cosi—a brand dedicated to creating **upcycled plastic products that are accessible to everyone**, making sustainability a shared experience for all.
